Employee Wage Type

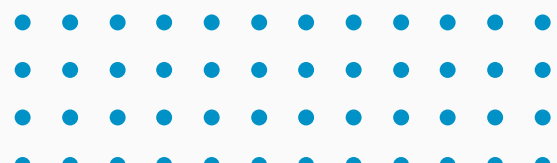

# Overview

CheckMark Online Payroll enables businesses to manage their payroll processes efficiently and accurately. It offers features such as automatic tax calculations, ACH direct deposit, document management, and reporting, making it easier for businesses to stay compliant with IRS.

CheckMark Online Payroll is designed for small and medium-sized businesses and offers flexible pricing plans to fit the needs of different organizations. With CheckMark Online Payroll, businesses can streamline their payroll processes, save time and reduce the risk of errors.

# Key Features

01

## Run Payroll in Minutes

Intuitive and easy-to-use solution that speeds up your employee payroll and saves you a lot of time to focus on other aspects of your business.

03

## ACH Direct Deposit & Checks

Delight your employees on payday by paying with ACH direct deposit or printed checks. We provide 3-day ACH processing at no additional cost.

05

## Fast Payroll Processing

Designed to streamline payroll for businesses of any size, from small companies with just one employee to larger businesses with 999+ employees.

02

## Employee Self Service Portal

Allow your employees to view their payslips, leave balances, attendance, tax forms, and documents anytime, anywhere in the Employee Self-Service Portal.

04

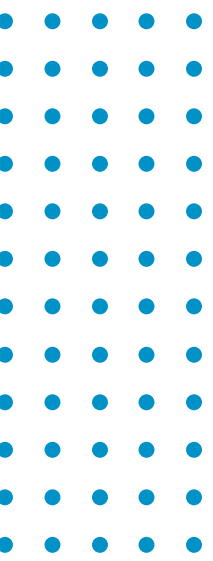

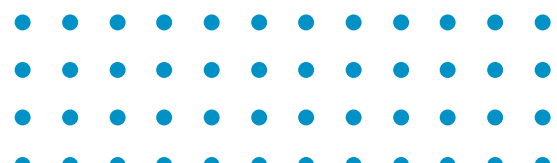

## Year End W-2 Filing

Our software makes it easy to file payroll taxes and handle the year-end tax filing. Print or e-file Forms 941, 940, 944, 943, W-2, and W-3 to the SSA and most states.

06

## Document Management

Efficiently store, organize, and manage employee-related documents such as onboarding and tax forms

# Run Payroll in 3 Easy Steps!

## 1. Enter Hours

Add payroll hours, select pay period dates, and pay date.

## 2. Calculate Payroll

Review and approve payroll for one or all employees.

## 3. Pay Employees

Delight employees with ACH direct deposit or checks.

# Benefits

# Testimonials

“

## User Friendly & Easy To Use.

The payroll process is quite a breeze, and the interface of the application is simple. After moving from desktop to online, I have the freedom now to process payroll online from anywhere. The pricing is clear and affordable for a small business like ours.

**Kyle, Baltimore, MD**

“

## Convenient and Affordable Solution.

We are using CheckMark for our 10 employees. It is working really well for us since everything is in one single place. From direct deposit to year-end w-2 filing, it has saved us a lot of time and money. The application is fast, convenient, and affordable.

**Julia, Memphis, TN**

# FAQs

01

## How secure is my payroll data?

We have partnered with industry-leading security companies to ensure your payroll data is protected by sophisticated servers, powerful firewalls, and advanced encryption techniques used by banking corporations.

02
