Overview

CheckMark Online Payroll enables businesses to manage their payroll processes efficiently and accurately. It offers features such as automatic tax calculations, ACH direct deposit, document management, and reporting, making it easier for businesses to stay compliant with IRS.

CheckMark Online Payroll is designed for small and medium-sized businesses and offers flexible pricing plans to fit the needs of different organizations. With CheckMark Online Payroll, businesses can streamline their payroll processes, save time and reduce the risk of errors.

Key Features

01

Run Payroll in Minutes

Intuitive and easy-to-use solution that speeds up your employee payroll and saves you a lot of time to focus on other aspects of your business.

02

Employee Self Service Portal

Allow your employees to view their payslips, leave balances, attendance, tax forms, and documents anytime, anywhere in the Employee Self-Service Portal.

03

ACH Direct Deposit & Checks

Delight your employees on payday by paying with ACH direct deposit or printed checks. Our application creates ACH direct deposit files that you can submit to your bank or ACH provider for processing employee and employer payments.

04

Year End W-2 Filing

Our software makes filing payroll taxes and handling year-end tax filing easy. Print or e-file Forms W-2 and W-3 with the SSA and most states. You can also print Forms 941, 940, 944, and 943.

05

Fast Payroll Processing

Designed to streamline payroll for businesses of any size, from small companies with just one employee to larger businesses with 999+ employees.

06

Document Management

Efficiently store, organize, and manage employee-related documents such as onboarding and tax forms

Run Payroll in 3 Easy Steps!

1. Enter Hours

Add payroll hours,
select pay period dates,
and pay date.

2. Calculate Payroll

Review and approve
payroll for one or all
employees.

3. Pay Employees

Delight employees with
ACH direct deposit or
checks.

Testimonials

“

User Friendly & Easy To Use.

The payroll process is quite a breeze, and the interface of the application is simple. After moving from desktop to online, I have the freedom now to process payroll online from anywhere. The pricing is clear and affordable for a small business like ours.

Kyle, Baltimore, MD

“

Convenient and Affordable Solution.

We are using CheckMark for our 10 employees. It is working really well for us since everything is in one single place. From direct deposit to year-end w-2 filing, it has saved us a lot of time and money. The application is fast, convenient, and affordable.

Julia, Memphis, TN

FAQs

01

How secure is my payroll data?

We have partnered with industry-leading security companies to ensure your payroll data is protected by sophisticated servers, powerful firewalls, and advanced encryption techniques used by banking corporations.

02

How many times can I run payroll per month?

You can run payroll as many times as needed without incurring any additional costs for additional or off-cycle pay runs.

03

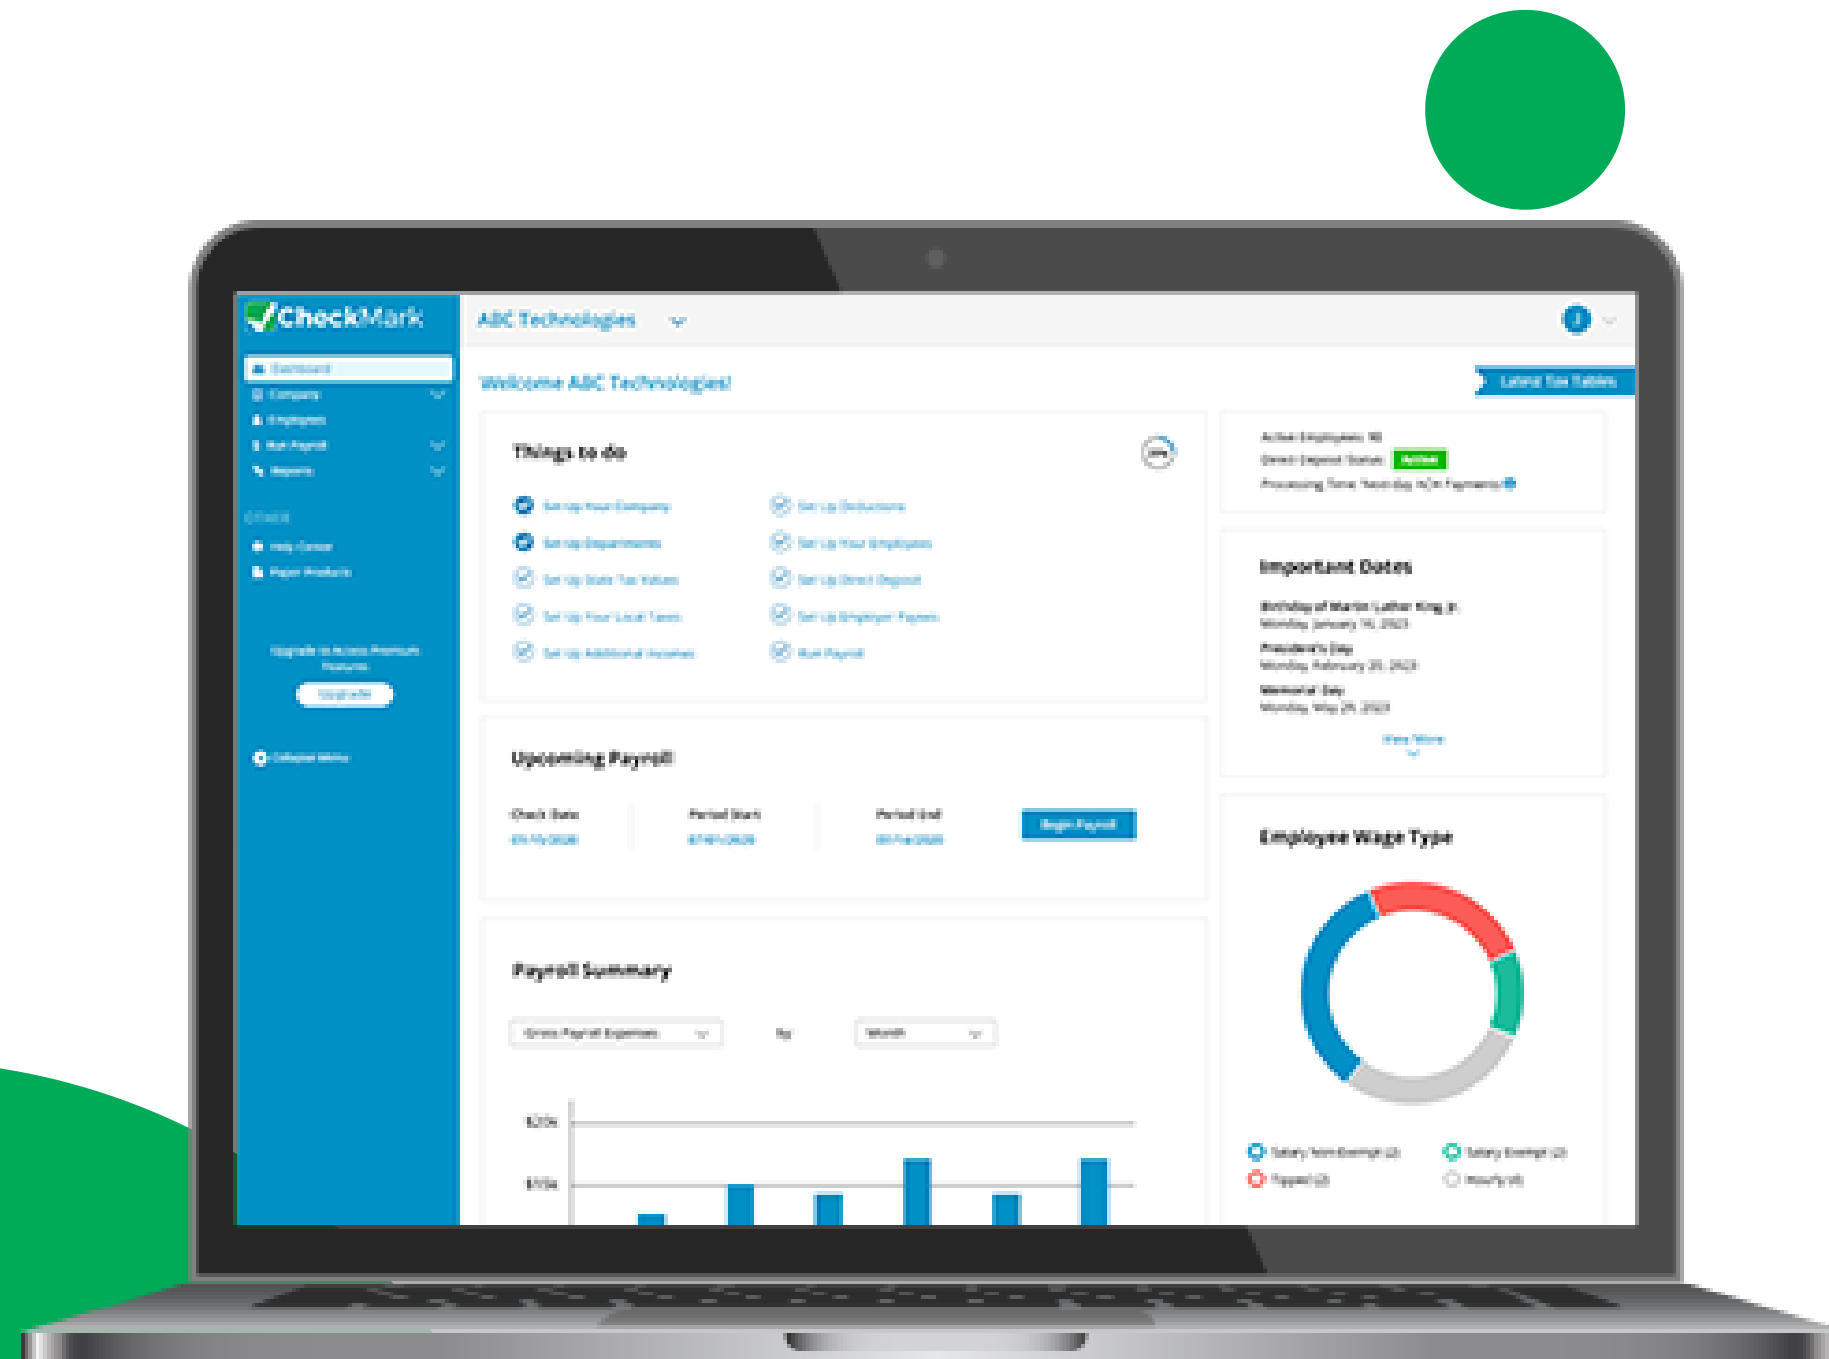

Are there added costs for add-ons like Direct Deposit?

No, there is no fee for setting up ACH Direct Deposit Payments. You can generate ACH direct deposit files in our application to send to your bank or ACH provider for processing employee and employer payments, offering you flexibility and control over your payroll process.

04

Does CheckMark provide a free trial?

Yes, we offer a free 14-day trial of all our features. You can experience the full power of CheckMark Online Payroll. 100% risk-free. No credit card is required.

Time to Migrate and Simplify Your Payroll with CheckMark Online Payroll

CheckMark Online Payroll gives you the same type of tools and features that the desktop version provides. You can manage payroll securely anywhere, anytime. You will now be able to access data securely in the cloud 24/7.
